

TOWN OF SHARON  
Inland Wetland & Watercourse Commission  
PO Box 385, 63 Main Street, Sharon, CT 06069

RECEIVED

*Draft minutes until approved at next regular meeting*

January 8, 2018

Chairman Kirby called the regular meeting to order at 6:30 PM with the following members in attendance: Jim Krissel, Mike Dudek, Harvey Hayden, William Trowbridge, Larry Rand and Alternate Robin Zitter. Also present: Robert & Shirley Leibrock. The Agenda, as posted, was approved and taken in order. The minutes of the previous meeting stood approved as presented. There were no new applications and no site visits made this month.

**2. Communications:** None

**3. Old Business:** a) Leibrock violation 260 Gay Street: Mr. and Mrs. Leibrock were in attendance to address the Commission which had requested that they have soil tests conducted to see if there are wetlands on the property at 260 Gay Street. The jurisdiction of the SIWWC was reviewed – stating that any activity within 50' of a wetland soil requires application. As the weather makes it impossible for testing being completed at this time – there was no action taken. It was requested that as soon as the weather allows testing, that they provide the Commission with results. b) Peter Palmer 12 White Hollow Road: Application for a lean to addition to the existing barn. This was tabled for additional information. There appears to be a need for leveling of the area and placement of haybales/berm for erosion control. Motions of Hayden/Krissel approved the application with the condition that Mr. Palmer contacts the office regarding the leveling and the placement of haybales/berm prior to construction. All were in favor.

**4. New Business:** None

**5. Discussion** concerning SIWWC pesticide statement: Robin Zitter presented a draft of comments and information, which was reviewed and discussed. Members were requested to review information available and continue the discussion at the next meeting. Jamie Casey will provide the number/acreage of ponds and miles of streams in Sharon. No action taken.

With no other business, the meeting was adjourned at 7:13 PM via motions of Krissel/Rand with all in favor.

Respectfully submitted, Jamie Casey, Commission Clerk/Land Use Administrator
