

SHARON PARKS AND RECREATION COMMITTEE MINUTES

Special Meeting/November 7, 2019/ 6:00 PM

Present: M. Thompson, M. Flanagan A. Peterson, D. Christensen

Absent: A. Tortorella, M. Purdy, K. Bristow

Call to Order: 6:05

Minutes of the previous meeting: M/M Flanagan/Peterson to accept the minutes as written. Motion Carried.

Public Comment: Christensen read a portion of the state guidelines for public swimming areas, in response to a request from a beachgoer requesting a change to the beach rules. The person would like to be able to leave the beach area and swim across the lake. State regulations require that swimming be allowed only in designated swimming areas. Christensen will contact the gentleman with the information.

Old Business: Tennis Court Maintenance

Tennis Court maintenance was discussed. Topics included the need to raise the budget line beginning next year and the proposal to have work done in the spring from the 19-20 budget year monies.

New Business: New Member

A letter of interest to join the Parks and Recreation Committee was received from Sara Lott. M/M Peterson/Flanagan to "recommend to the Board of Selectmen that Sara Lott be appointed to the Sharon Parks and Recreation Committee". Motion Carried. All voted in favor.

Set date for Triathlon:

The date for the 2020 Triathlon will be August 8, 2020. Setup will be the evening before.

Directors Report- the Director's report was discussed. Mette reported that the NW Transit has cancelled use of the busses effective immediately. Mette will attend a meeting on Nov 12th about the situation. At least one outing will be cancelled due to lack of transportation. Renting a van is not practical because many of the people need the step on the bus to get in and out.

M/M, Thompson/Flanagan to adjourn the meeting at 6:58 pm.

Respectfully Submitted,

Donna Christensen
