Sharon Conservation Commission
Minutes of Regular Meeting of February 17, 2021
Held Electronically

Attending: Paul Bacsik, Chair, Claudia Cayne, Carl Chalet, Sicily Hajek and Jim Krissel

1. Zoom meeting link.

2. Minutes for approval: Last Regular Meeting, January 20, 2021
The minutes were approved unanimously.

3. Christian Allyn at Invasive Plant Solutions
Brent will contact Christian directly about road salt and Lauren Murtagh about invasives.

4. Air Monitor maintenance.
The monitor has been repaired and is being calibrated in East Hartford with DEP.

5. New members as per Brent?
No update from Brent. Paul will follow up. Cicily reminds us that potential members should be asked to attend meetings prior to being asked to join.

6. Beavers So. Ellsworth
Brent agreed with our recommendation and will follow up with homeowners.

7. Jim Krissel IW v. SCC conflict?
Confirmation that someone from wetlands needs to be on the Conservation Commission, although he/she could not be chairman of both.

New business:
Jim Krissel discussed Mill Brook watershed with HVA. Water from Mill Brook in CT is not clean and HVA is still doing assessment.

We will request an increase of $300 in the 21-22 budget, for a total of $2500.

Respectfully submitted,
Claudia E. Cayne, Secretary
