The BOS offered changes to the drafts including what remediation needs to be done as the easements must remain accessible and that the Town residents voted on these easements. Ms. Fowler gave a broadband update. She spoke to Henry Todd, First Selectman of Falls Village, as they just held a forum on numerous topics. One of our dates of November 17<sup>th</sup> for a community forum on fiber broadband is good for Jocelyn Ayer of COG. The Economic Development person cannot attend nor can Kim Maxell of Northwest ConneCT – do we still proceed with this date or wait. It was decided to keep this date so that residents can be made aware of the telecommunication options and the various issues. Mr. Fowler and Mr. Jones will work on social media and a press release to get the date out there. Ms. Fowler will work on the format of the forum = who talks about what topic. No time for the forum was been set yet.

Community Update:
