

**Sharon Green Committee**  
**Monday, April 12, 2021 @ 4: 00 PM**

**RECEIVED**  
By Linda Amerighi at 3:21 pm, Apr 15, 2021

**Minutes of Meeting**  
*Draft Until Approved*

**Present: Betsy Hall, Linda Amerighi, Steve Wasley, Marlene Woodman**

**Absent: Tom Casey, Eric Golden**

**1. Call to Order**

Betsy Hall called the Sharon Green Committee Meeting to order at 4:00 PM

**2. Approval of Minutes of March 8, 2021**

Linda Amerighi noted that in the March 8, 2021 Minutes, Item #5, in the second sentence, the words *lawn aerator* should be replaced with *core aerator* to correctly indicate the type of aerator system being purchased.

The Minutes were accepted as corrected.

**3. Old Business**

Betsy Hall reported that she and Marlene Woodman attended the March 16, 2021 Board of Finance (BOF) Meeting (held by Zoom) as a follow-up to questions previously raised by the BOF members. The BOF approved \$150,000 for the remaining granite curbing along Main Street. This project would begin once the State determines its timeframe for paving Main Street. The BOF recommended that this request be put in the Town's Five-Year Capital Project Plan.

Betsy Hall noted that that Tom Casey will attend the Historic District Commission's Meeting on Monday, April 26, 2021 to present the Sharon Green Committee's request for curbing along Main Street. Pat Hackett will provide the necessary documents for the State and for ordering the granite (for cut-outs, length, etc.). Betsy Hall will be in touch with the granite company to obtain price estimates and to determine the optimum time to order the granite.

Betsy Hall will send the Green Application to the various organizations that have, in the past, requested use of the Sharon Green.

Steve Wasley reported that he and Tom Casey have again reviewed the area where the new garage addition would be built and have determined the best placement for the addition. It is likely that it could be a loss of two parking spaces.

The Committee discussed a possible timetable for the funding and agreed that it would be a beneficial to provide a site tour for the Board of Finance members. It was agreed that at the next meeting we should review the cost estimates for the building and a concrete platform. The Committee hopes to then go to the Board of Finance with preliminary estimates in October 2021 and then next February / March 2022 go out for bids with the project scheduled for sometime between next June and August 2022. This funding request would be from the Capital Non-Recurring Request.

#### **4. New Business**

Steve Wasley reported that he has ordered the core aerator but it is not likely to be delivered for at least a month. He will work with *Sharon Lawn & Landscaping* about the timing for fertilization and aeration until the machine is delivered.

Steve Wasley noted that McEnroe Organics delivered the mulch for the Green at no cost. The Members noted that they are appreciative of this gesture.

#### **5. Other Business**

The Sharon Green Committee had no further business to discuss.

#### **6. Next Meeting**

The Sharon Green Committee's next meeting will be held on Monday, May 10, 2021 at 4:00 PM

#### **7. Adjournment**

On a motion made by Steven Wasley and seconded by Marlene Woodman, the Sharon Green Committee Adjourned at 4:45 PM.

Respectfully submitted,

Marlene Woodman
