*The Board welcomes public participation and asks that speakers please limit their comments to 5 minutes, which will be monitored. Speakers must introduce themselves, indicate the town they reside in, and state the topic of their Comment. Speakers may offer objective comments of school operations and/or programs that concern them. To protect the impartiality of the Board, we will not permit any expression of personal complaints or defamatory comments about **Sharon** personnel or students, nor against any person connected with the Sharon Center School. Such issues should be brought to the school building administration or the office of the Superintendent of Schools. The Board will not respond to comments made during Public Comment, except to clarify issues, if necessary. When appropriate, District administration will follow-up at a later point in time, or in conjunction with the Board Chairman schedule a topic as an agenda item for a future Business Meeting of the Sharon Board of Education.*

*Sharon Center School Mission Statement*

*The mission of Sharon Center School is to engage students in academic pursuits that result in the highest level of achievement and in the motivation for life-long learning. Our students will grow in a safe and secure school community where we promote the individuality and unique talents of each student and the importance of responsibility, integrity, and teamwork.*

*The Sharon Center School Visions:*

- *We envision a school community that will be recognized in the greater community as a disciplined yet nurturing environment conducive to learning.*

- *We envision a school community in which staff members serve as positive role models by working together in collaborative teams to promote life-long learning in themselves and in their students.*
- *We envision a school community in which parents and community members will work with school staff to shape a culture of support and caring.*
- *We envision a school community in which the administrator will be a leader of leaders who is knowledgeable about current research in teaching and learning practices, who creates a professional climate conducive to shared leadership and who helps to develop leadership skills in others.*
- *We envision a school where the curricula will be aligned with local, state, and national standards for students' academic achievement and developmental needs. It will contain effective coordination and articulation with the school and throughout Region One.*
