Absent: A. Tortorella, S. Lott, M. Thompson

Call to Order: 6:05

Minutes of the previous meeting: M/M, Flanagan/Peterson to accept the minutes of the previous meeting as written. Motion carried.

Public Comment: None.

M/M Purdy/Peterson to add the topic of tennis court repair to this agenda. Motion Carried.

The board discussed the pros and cons of waiting as long as five years to replace the tennis court posts. In the end M/M Peterson/Purdy to change the proposed budget already submitted to the Selectmen. The change would be to move the one time line increase request to (36A) Veterans’ Field upkeep. The tennis court fence posts would be replaced off of the 2019-2020 budget at the same time that repairs are made to the courts this spring. Replacing the third base fence line would then be done on the 2020-2021 budget. Motion Carried, all in favor.

Old Business: Sponsorships-The new tri-fold sponsorship brochure was finalized and Mette will order them.

New Business: Website-The choice of keeping a separate web page for Parks and Rec vs. adding a page to the town website was discussed. Mette will look into details and will follow up at the next meeting.

Director’s Report-The bids for the tree work at the beach are due on March 20. A choice will be made soon after to be complete before any reseeding, which is already planned, is begun.

M/M, Purdy/Flanagan to adjourn the meeting at 7:15 pm.

Respectfully Submitted,

Donna Christensen
